

City of Tempe Special Olympics

WINTER SPORTS, NOV 2015 - MAR 2016

Youth (8 yrs+) and adults with intellectual/developmental disabilities are invited to join Special Olympics Arizona to learn sportsmanship and teamwork while achieving their personal goals! Each sport is offered during an 8 - 12 week season. Athletes practice on a weekly basis in preparation for area, regional and/or state competitions hosted by Special Olympics Arizona. For more information about the City of Tempe's Special Olympics programs, please contact Josh Bell, Adapted Recreation Coordinator, or Cristi Lynn Scobee, Special Olympics Program Coordinator, or visit our website at www.tempe.gov/adaptedrecreation.

What do I need to do to participate in Special Olympics Arizona through City of Tempe Adapted Recreation?

- Officially register through the City of Tempe's registration process and pay the administration fee, which can be done one of three ways:
 - Register online at www.tempe.gov/brochure (and use the registration code listed for the specific sport).
 - Mail registration to: City of Tempe Adapted Recreation, Recreation Services Office, 3500 S. Rural Rd., Tempe, AZ 85282.
 - Register in person at a City facility that process registrations, such as the Recreation Services Office (2nd floor of Tempe Public Library), Pyle Center, Edna Vihel Center or Kiwanis Recreation Center.
- In order to compete in an officially sanctioned Special Olympics Arizona competition, an athlete must be officially registered with a delegation (City of Tempe) and must have current SOAZ medical and consent forms on file with that delegation by the designated deadline. The medical and consent forms must be filled out and signed by a parent/guardian/athlete, as well as be signed by a medical examiner and is good for three years.
 - This form is available for download from our website at www.tempe.gov/adaptedrecreation under the SOAZ section. You may contact Josh Bell directly if you need the form sent to you.
 - Any athletes who do not have current medical and consent forms on file by the deadline will not be eligible to participate in area, regional or state competitions. Athletes are still welcome to participate in our weekly practices.
- What if the athlete just wants to come out and participate in the weekly practices but not compete? That's not a problem! Those individuals still need to go through the official registration process, but they do not need to participate in area, regional or state competitions, nor do they need a current medical. They can come out and enjoy the weekly practices! If this is the preference, please notify us either before the season starts or at the first practice.

Speed Skating

It is with a very sad heart that we must announce the discontinuation of our Special Olympics Speed Skating Program. Despite our best efforts, we were unable to find a suitable practice location this season. We are hoping to have a shortened season with a celebration at the end sometime after the New Year. We will notify our speed skaters when we have more information. Thank you for your understanding and we hope to see you at one of the other great sports we offer.
